# RecycleMore's Fall 2013 Programs

Our programs are offered FREE OF CHARGE to all schools in West Contra Costa County. Our field trips are popular so call early to reserve your spot! Additionally, in order to maximize our reach, we can only offer **four programs per school** and **one program per teacher** each school year. Of the four programs available to each school, only **two programs per school can be redeemed for field trips**. The 4 R's Presentation that is provided alongside field trips does not go towards your school's program total. Thank you for your continued interest in our programs and we look forward to your call!
