## HAPPY RETIREMENT!!!

*...We're sad to see you go...*

After over 10 years of serving West Contra Costa County, our Schools Program Manager, Claudia Taurean, is departing from our agency to explore the new and exciting shores of retirement! Claudia has been an integral part to the development of our agency and while we will miss her terribly at RecycleMore, we wish her the very best in her retirement. Thank you Claudia for your dedication and passion these past years!!!
