

Republic Services Compost Giveaway Program!

On the first Wednesday of each month, West County households can come to the West County Resource Recovery Facility (WCRR) and get up to 2 cubic yards of compost per month at NO CHARGE! The compost provided is the product of the organic material that is collected from the residential and commercial organics program.

Eligible cities and communities include Richmond, Hercules, Pinole, San Pablo, El Cerrito, Bayview, East Richmond Heights, El Sobrante, Montalvin Manor, North Richmond, Rollingwood, Tara Hills, Crockett, Tormey, Port Costa, Rodeo, and Kensington. ***Valid proof of residency and identification are required.***

WCRR: 101 Pittsburg Ave., Richmond, CA 94801 | 9 a.m. – 4 p.m.

This is self-service only, so please bring a shovel and your own bag, bin, or bucket to load the material. Customer's allotted time to load material may be restricted by attendance and limited loading space. For more information, contact the West County Resource Recovery Facility at **510.231.4212**.
