

WEST CONTRA COSTA (WCC) VERY SMALL QUANTITY GENERATOR (VSQG) PROGRAM HOUSEHOLD HAZARDOUS WASTE (HHW) FACILITY

FORM 1: REQUIREMENTS FOR PROGRAM USE

The Customer agrees to abide by the following requirements:

1. State and federal hazardous waste laws limit the use of household hazardous waste collection programs to households and those businesses that generate less than 220 lbs/27 gallons (100 kilograms) of hazardous waste a month and less than 1 kg of "extremely hazardous waste" a month.
2. Waste must only be scheduled and delivered during the following hours of operation at this location:
 - Wednesdays, Thursdays, Fridays & Saturdays / 9:00 am – 4:00 pm (closed Noon - 12:30 pm for lunch)
 - WCC HHW Facility, 101 Pittsburg Ave., Richmond, CA, 94801
3. An authorized representative of the organization or business such as the owner, manager, or supervisor, who has legal authorization to obligate, must sign below.
4. Customers must adhere to the following requirements in preparing waste for transport:
 - No leaking containers are allowed
 - Keep different products separate from each other
 - Avoid spills: secure lids
 - Tape lids down if possible (to not fall off)
 - Unknowns are not accepted
 - Unlabeled containers with known contents should be labeled with the product name or classification
 - No containers greater than 5 gallons
 - If container is very rusty or cracked, transfer to another container and label it or place it in another secure container
 - Place waste in boxes and surround with newspaper or other material so that containers do not move during transport
 - Place waste in the trunk or back of the vehicle away from occupants
 - Load your vehicle just prior to delivery
 - Drive directly to the facility
 - Do not allow children or pets in the vehicle
5. The following waste is not accepted:
 - Radioactive materials
 - Explosives, including firearms
 - Controlled substances
 - Gas Cylinders - Pressurized, thick-walled over 5 gallons
6. State law limits transportation amount to 220 pounds/27 gallons or less and any amount over this limit will be rejected (as required).
7. The waste that has been preapproved will ONLY be accepted.
8. Prior to arrival at the facility, you will need to bring the following items:
 - Signed Requirements for Program Use (Form 1)
 - Signed Materials Acceptance Request Form (Form 2a OR Form 2a and 2b - If Applicable)
 - Inventory of Hazardous Waste for Disposal (Form 3)
 - Proof that your business or organization is located in the eligible service area
 - Check made out to "WCRR" with Payment Amount (Unless fee waived) – See Form 3

Signature

My signature below certifies that I represent the organization listed and that this business generates less than 220 lbs/27 gallons (100kg) of hazardous waste per month and less than 1 kg of "extremely hazardous waste" per month. My signature also acknowledges that all the above requirements will be adhered to.
