

*** Call to Artists ***

El Cerrito Creative ReUse

The **City of El Cerrito Arts and Culture Commission** invites artists to apply for the El Cerrito Creative ReUse (ECCRU) Artist Residency. The 9-month term will begin April 1, 2024. Applications are due December 15, 2023

The program is intended to support local artists (in Contra Costa & Alameda Counties) who work with recycled materials, and to encourage environmental stewardship – specifically, ***resource conservation, recycling and upcycling***– in the community through art that inspires people to think about sustainability and consumption.

The ECCRU Artist Residency provides the artist with access to certain materials at the City's Recycling + Environmental Resource Center for use in artistic projects, as well as the opportunity to host an exhibition at the end of the residency. A storage bin for salvaged materials will be provided; however, the artist should have their own workspace.

For more info about ECCRU or the City of El Cerrito Arts and Culture Commission, please contact Staff Liaison Alexandra Orologas at 510-215-4302 or aorologas@ci.el-cerrito.ca.us.

Applications are due by 4pm on December 15, 2023. To apply for the ECCRU Artist Residency Program,
