

West Contra Costa Resource Recovery (WCRR)

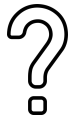

Interactive School Assemblies and Classroom Presentations

Republic Services and RecycleMore offer school recycling presentations and assemblies every second Tuesday of the month and every third Thursday of the month.

To schedule a presentation or assembly, please visit:
www.recyclemore.com/schools.

Learn how recycling materials are commercially sorted and processed

Ask the Recycling Coordinator Team your recycling and sustainability questions

Find out what you can do at your home and school to make a positive impact in your community

For more information, contact the Republic Services' Recycling Coordinators:
510-262-7140
RecyclingCoordinators@republicservices.com

*NOTE: At this time, WCRR Facility Tours are not available. August 2023.
Available dates and programs subject to change.*
