

# LEARN ABOUT RECYCLING

## West Contra Costa Resource Recovery (WCRR)

Interactive School Assemblies, Classroom Presentations, and Facility Tours

Republic Services and RecycleMore offer school recycling presentations, assemblies, and field trips every second Tuesday and every third Thursday of the month (during the school year), unless otherwise noted.

**Learn how recycling materials are commercially sorted and processed**

**Ask the Recycling Team your recycling and sustainability questions**

**Find out what you can do at your home and school to make a positive impact in your community**

*To schedule a presentation, assembly, or facility tour please visit: [www.recyclemore.com/schools](http://www.recyclemore.com/schools).*
